

## FINGER FOOD

Please place all of your Food & Drink orders directly with the Bartender. Your food will be brought out to you by a Food Runner when ready.

**Kitchen Hours are 5pm – 10 pm.**

**About Our Food:** In the Spirit of Teddy Roosevelt, America's First Known Environmentalist-President, and in an effort to minimize our carbon footprint, we try to source local, organic or sustainable ingredients in the production of our Finger Food. We have chosen not to serve beef or pork due to the excessive pollution factory farming adds to our environment. All of our food is intended to be shared & eaten with our **ingers** to minimize the excess use of water & chemicals to wash dishware & utensils. If you are uncomfortable using your hands and absolutely must have a share plate or picking tool, please ask us. Restrooms are located past the flagpole; please wash your hands before and after eating!
